

RHD Mustang Conversion Checklist

Print out this checklist (2 pages) and take it with you when you inspect a vehicle.
Fill in all details, then visit the **'Warnings'** page at www.mustangmotorsport.com.au
to fill in the 'Online Checklist' to assess the quality and safety of the vehicle's conversion.

Visual Interior Inspection

Dashboard & Steering Column

Check instrument fascia, passenger airbag, lower panels, glove box door, centre console.

Does the dashboard fit up neatly?

Is the steering wheel in line with centre of the seat?

Does the adjustable steering column move freely?

Yes No

Speedometer

Is the speedometer in km/h only? If it is dual scale, is the main scale in km/h?

Yes No

Pedals

Are the brake and clutch pedal at the same height?

Is the spacing between them sufficient? Is the height off the floor acceptable?

Yes No

Driver's Footrest

Is there a left hand footrest for the driver?

Yes No

Under the Dash

Check that there are no loose wires hanging down underneath the dash.

Do all fittings and wiring appear neat and correct?

Yes No

Electric Seat

Has the electric driver's seat been transferred to the right hand side?

Do all the controls work correctly?

Has the seat switch fitting been fitted neatly?

Have the old switch positions on the passenger seat been blanked off neatly?

Yes No

Electric Window Switches

Have the electric window switches been transferred? Are they fitted neatly?

Do they operate correctly and without sticking?

Yes No

Air Conditioning

Operate the air conditioner.

Does the air conditioning compressor operate (listen for 'click' when switching on)?

Does the fan control operate on all speeds?

Is there good air flow from all outlets (windscreen demister, face vents, floor outlets)?

Is the air flow sufficiently cool from all outlets?

Yes No

Heating

Operate the heater.

Does the fan control operate on all speeds?

Is there good air flow from all outlets (windscreen demister, face vents, floor outlets)?

Is the air flow sufficiently warm from all outlets?

Yes No

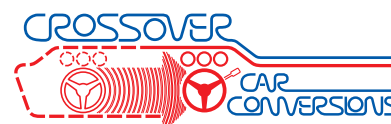

Owner's Manual

Is there an Owner's Manual supplied with the car?

Does it include maintenance procedures and records?

Is seatbelt supplement information provided?

Yes No

RHD Mustang Conversion Checklist

Visual Exterior & Under Bonnet Inspection

Amber Indicators

Check front, side and rear indicators.

Have they been modified neatly? Are all lenses clear of any moisture?

Yes No

Engine Bay Hoses and Fittings

Visually check all hoses and fittings in the engine bay (fuel and oil lines, cooling system, airconditioning etc).

Do they all appear to be fitted neatly and correctly?

Do they appear to be free from leaks and damage?

Yes No

General Engine Bay Conversion Items

Has the brake booster and steering column etc. been swapped side-to-side?

Do any items swapped side-to-side during conversion appear to be fitted neatly and correctly?

Yes No

Compliance Plate

Has the vehicle been fitted with the correct compliance plate to meet ADRs?

Yes No

Drive Test

Warning Lamps

Do all warning lamps on the dash go out when the engine is running?

Yes No

Clutch

Does the clutch operation feel smooth and normal?

Is gear selection easy?

Yes No

Brakes

Does the pedal feel and move smoothly?

Does the car stop effectively?

Is the pedal free of any pulsating feeling when braking?

Yes No

Dashboard

When driving along a street with speed humps or a rough surface, is the dash free from any squeaks?

Yes No

Suspension

When driving along a street with speed humps or a rough surface, is the suspension free from rattles and knocks?

Does the suspension feel firm and responsive?

Yes No

Steering

Move the steering quickly from side to side.

Is it free from knocks, rattles and squeaks?

Does the steering feel firm and accurate, and free from any slop in the movement?

Yes No

Resonance or Groaning Noises

Under hard acceleration, is the vehicle free from groaning noises, resonance or any indication of the engine touching the body?

Yes No

Speedometer

Does the speed indicated seem accurate?

Yes No

Air Conditioning

Operate the air conditioning for a long period of time.

Is the passenger floor clear of any dripping water?

Yes No

Water Leak Test

Take a garden hose and spray water over the windscreen area.

Are both the driver and passenger floors clear of any water leaks?

Yes No
